CHANGE YOUR FUTURE

Global View for financial consulting; LLC,

Provides financial consulting services including but not limited to: Bookkeeping services, due diligence, training and other relevant consulting and advisory services. Bearing in mind; that growth and change are two business realities that cannot be ignored, we sustain strategies that help your business innovate and grow, while reducing costs and leveraging talents are just as essential as having the agility and creativity needed to respond to rapidly changing environments. By taking time to understand your business and the issues and challenges you are facing, our advisory teams use local and global knowledge to help you challenge conventions and introduce and deliver strategies that work specifically for you.

BEYOND THE NUMBERS

Business is not just about the numbers. We develop a real understanding of your business and the market you operate in that enables us to proactively help you drive greater efficiency and increase profitability.

FIRM HISTORY

Global View - HSA (Hanna, Suzy, and Ashraf) is an Egyptian firm of public accountants and consultants founded in **April 2008**. The firm has quickly risen to prominence in Egypt, building upon the extensive experience of its founders who have provided high-quality advisory and consulting services for over two decades.

In June 2016, they announced the establishment of an affiliated new company which provides financial consulting services. Located in Cairo with a dedicated team of professionals, Global View is committed to understanding its clients' needs and challenges, delivering tailored solutions that drive success.

OUR MISSION

“ Our mission is to **understand** our clients' businesses, **identify** their financial needs, and **provide** services that help them achieve their business and personal financial goals. We are committed to delivering **efficient** and **timely** services while upholding the **highest ethical standards**. ”

OUR PHILOSOPHY

At Global View, our most valuable assets are our people and our reputation.

We are committed to excellence, both internally and externally.

We invest in the training and continuing education of our professionals to enhance their abilities.

In return, we expect our professionals to use their talents to achieve and maintain total client satisfaction. We are dedicated to maintaining our trademark service, which includes a commitment from our partners and staff to look beyond the numbers and identify opportunities, challenges, and solutions in every engagement.

TEAMWORK
INNOVATION
CREATIVITY

Creativity, innovation, and teamwork are integral to our approach.

We provide individual attention to our clients by actively listening and communicating openly, promptly, frequently, and effectively.

We take a proactive approach to our clients' businesses, driven by a genuine desire to help them improve their operations. We remain objective and unwavering in our commitment to excellence and our dedication to investing in our people.

STATEMENT OF PROTOCOL BETWEEN GLOBAL VIEW AND OTHER AUDIT FIRMS

In the year 2024,

Global View and several well-known audit firms each seek to improve the accuracy and reliability of audit reports to protect investors and help promote trust in the audit process and investor confidence in their respective capital markets.

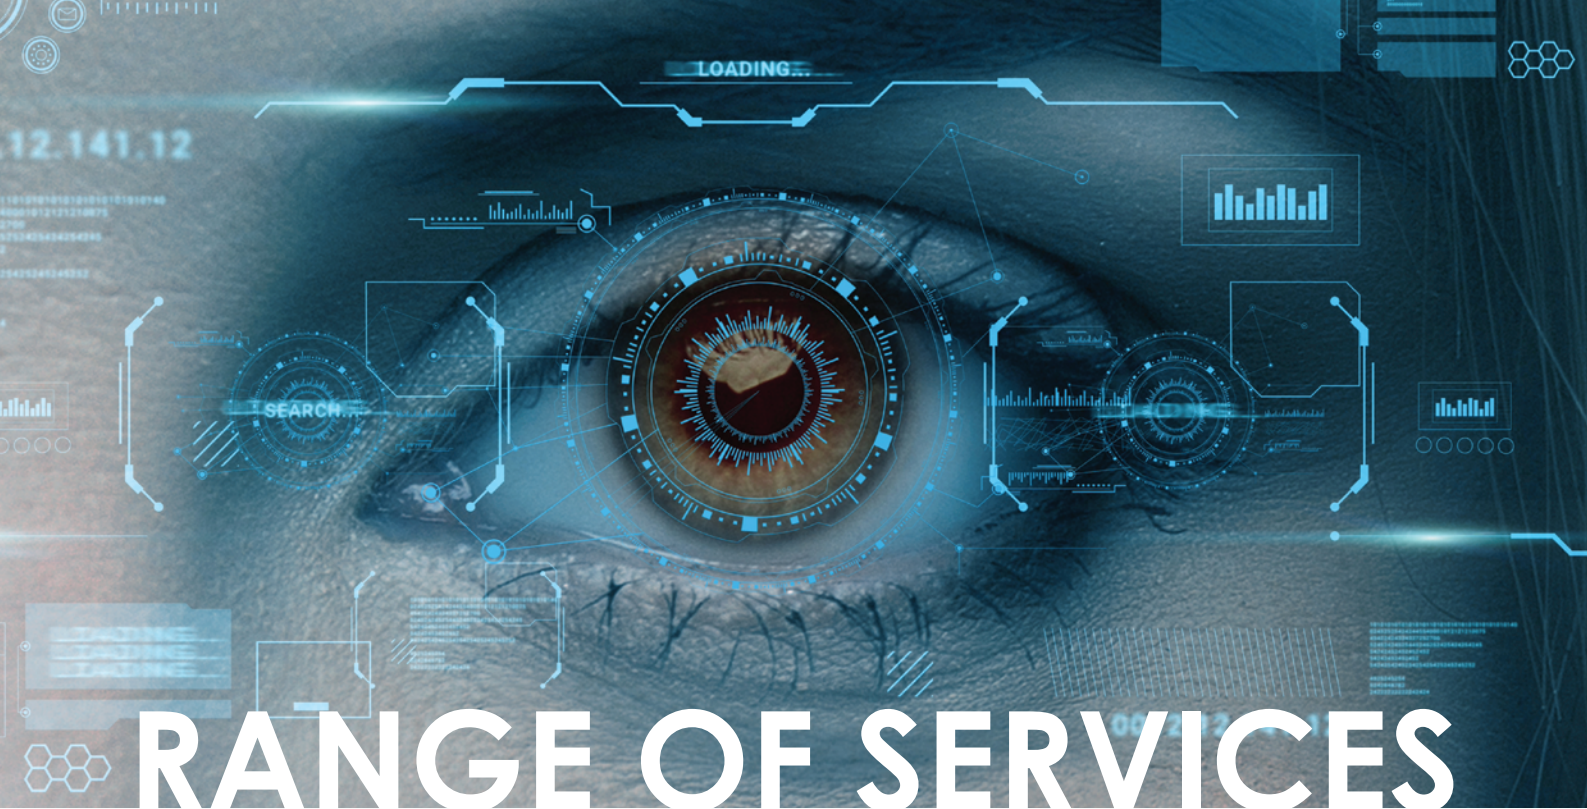

Given the global nature of capital markets, Global View and its global partners recognize the need for cooperation to facilitate the performance of the functions with which they are entrusted within their respective jurisdictions to enforce or secure compliance with their respective laws and regulations. In this context, we are working off-shore with several reputable audit firms, including established firms in Canada, and have partnered with multiple outsourced audit firms that are well-known and carry strong reputations in the industry.

The Purpose

The purpose of this Statement of Protocol ("Statement") is to facilitate cooperation between the Parties to the extent permitted by Egyptian respective laws and/or regulations. Global View and its partners believe that it is in their common interest to cooperate to the extent that such cooperation is compatible with their respective laws and/or regulations, their important interests and their reasonably available resources and expertise. Furthermore, we aim to increase the scope of our global partnerships and expand our global footprint in order to strengthen our collective oversight and enhance audit quality worldwide.

Cooperation, including by joint inspections, also is intended to assist the Parties in determining the degree to which one Party may rely in the future on the other Party's activities, including inspections and investigations, with regard to auditors that fall within the regulatory jurisdiction of both Parties.

RANGE OF SERVICES

AUDIT AND ASSURANCE SERVICES

Auditing is one of the core services of Global View's business activity. The firm's audit activity is conducted in accordance with Egyptian and International Standards of Auditing in addition to our firm's methodology, which goes far beyond merely giving an opinion on the financial position of our clients.

OUR SERVICES INCLUDE:

- Statutory audit and review of annual and quarterly financial statements
- Review of internal controls
- Compilation of financial statements and other financial reports
- Performance and value for money audits
- Risk assessment and recommendations to management
- Special purpose audits
- Regulatory reports
- IFRS reporting and transition to IFRS
- Sarbanes-Oxley compliance
- Grant audits
- Audit of the annual corporate tax return

Global View has a well-developed tax capability.

The firm's services include tax review and compliance with Egyptian Tax laws, for the following types of taxes:

- Corporate tax;
- Withholding Tax;
- Indirect taxes including Value Added Tax;
- Payroll taxes for Egyptians and expatriates;
- Stamp duty tax;
- Areas of social insurance for employees and construction contracts.

Global View tax specialists have extensive experience in dealing with all types of tax consultations. They assist the company in handling tax disputes and tax inspections for all types of taxes, and assist the company to prepare all analysis required for tax inspections and represent the company before the Tax Authority up to Appeal committee and court.

Global View tax specialists also assist companies in preparing and filing monthly VAT returns, quarterly withholding and payroll tax returns, and annual payroll tax reconciliation.

CORPORATE FINANCE & TRANSACTION ADVISORY SERVICES

Global View are experts in providing transaction services to Egyptian and International companies in Egypt. Global View specialists perfectly understand the corporate finance requirements of their clients in both the private and public sectors. Our firm is capable to help clients with mergers and acquisitions; undertaking business and sharing valuations for acquisitions and disposals; as well as performing due diligence assignments on target companies and providing privatization advice, to buy side and sell side. We also help clients in the transition process from one legal form of a company to another legal form.

ACCOUNTING AND BOOKKEEPING SERVICES

Accounting is another core activity in Global View domain. Our firm's range of accounting services includes computerized bookkeeping on accounting software (Quick books), managerial accounting and preparation of monthly and quarterly reporting packages, accounts compilation, payroll administration, and maintenance of statutory accounting records and company legal books of accounts. We are currently applying to be pro-advisors for Quick Books in Egypt.

CONSULTING AND CORPORATE SERVICES

Global View closely works with its clients to determine their needs and requirements. The firm offers practical solutions that ensure the continued success of its clients. We provide services of companies' incorporation and establishment. Global View provides consultancy services in areas of finance, administration, strategic and business planning, quality and financial management and feasibility studies.

HUMAN RESOURCES

Global View Accounting and Finance recruitment services include selection criteria for finance people that give weight to the skills, abilities and personal qualities that our clients' value, in addition to the academic performance required, and conducting technical interviews to them. Training and development programs are offered to our clients. Global View training programs enable our clients to fully develop the attributes they need to discharge their roles and responsibilities.

CONTROL ASSURANCE

Through our control assurance services we can help you identify, set, develop, and test internal control policies and procedures within business processes and information technology environments. These services may be provided as part of an internal audit or audit of financial statements, or as individual projects resulting from major organizational changes, implementation of new technologies, or reliance on third-party service providers. We also conduct fraud investigations.

OTHER REGULATORY SERVICES

- Company establishment – Conduct all incorporation procedures up to the issuance of the company commercial registry and tax card, including foreign branches.
- Assist in the process of handling General assembly meetings and authenticate the minutes of meetings of general assembly (ordinary or extraordinary) and BOD meetings in GAFI.
- All procedures required for capital increase or decrease including registry in the commercial register.
- Registry in the commercial register for any amendments required.
- Assisting in company liquidation procedures up to cancellation of CR.
- Authenticating any amendments required on the tax card.
- Issuing work permits for expatriates.
- Preparation of employees' files and issuance of company work regulations.
- Assistance in issuing imports and exports licenses.
